Cold Mark (Mark, #1). Overview :
Subject Name: Braita Valorn
Race: Human
Sex: Female
Age: 18
Designation: Slave
Temperament: Hostile

Thrown head first into a barbaric world she knows nothing of, Braita Valorn must adapt to the dark life as a slave. Her survival hinges on it. With her freedom stolen, her existence is now controlled by the possessive Plumas of the West. But what they cannot control are her feelings and the other set of men who want her—and who are willing to use every trick they know to obtain her from their enemies. Only Braita never expected to fall for these two Pluma leaders of the East.

Braita is a fighter. She demands her freedom most of all. And this slave is willing to use her own tricks to get what she wants. Including her men....
